

Terms and Conditions of Sale

These terms and conditions, as supplemented by the terms stated or referenced on the face of the Quote issued by Hebel Process Solutions, LLC or any Hebel Process Solutions, LLC affiliate receiving the order (hereinafter "Seller") shall be the exclusive statement of the agreement between Buyer and Seller. Acknowledgement of the Quote, including without limitation, by issuing an Order, shall be deemed acceptance of the Quote and these Terms. Reference in the Quote to any such offer to sell, quotation or proposal shall in no way constitute a modification of any of the terms of the Order. ANY ATTEMPTED ACKNOWLEDGMENT OF THE QUOTE OR ANY INVOICE OR ORDER CONTAINING TERMS INCONSISTENT WITH OR IN ADDITION TO THE TERMS OF THE QUOTE OR THESE TERMS AND CONDITIONS IS NOT BINDING UNLESS SPECIFICALLY AGREED BY SELLER IN A SEPARATE WRITING.

3. ELECTRONIC COMMERCE

At Buyer's direction, Seller shall access and use Buyer's e-business website in connection with Seller's duties under the applicable Order and shall comply with all requirements therein which are consistent with the applicable Order provided that Buyer shall provide reasonable assistance to Seller in its use of the e-business website.

4. COMMUNICATIONS

All written communications from Seller to Buyer must be directed to Buyer's purchasing representative, as identified in the Order or as otherwise designated in writing by Buyer. All written communications from Buyer to Seller must be directed to Seller's designated representative, as identified in the Quote. No adjustments to the Work shall be made unless authorized in writing by Buyer prior to implementation. Any such adjustment must be confirmed by a change notice to the Order executed by authorized representatives of both Parties.

5. MODIFICATIONS

Buyer may at any time, by written notice to Seller, make changes within the general scope of the Order in any one or more of the following: a) drawings, designs, scope of supply, or specifications where the goods to be furnished are to be specially manufactured for Buyer; b) method of shipment or packing; c) place and time of delivery; d) amount of Buyer's furnished property; e) quality; f) quantity; or g) scope or schedule of the Items. If any changes cause an increase or decrease in the cost, or the time required for the performance of any work under the Order, a mutually agreed upon equitable adjustment shall be made in the Order price or delivery schedule, or both, in writing; this change or modification shall be accomplished with a maximum of two weeks' impact on delivery, unless mutually agreed upon. Any Seller claim for adjustment under this clause will be deemed waived unless asserted within sixty (60) Days from Seller's receipt of the change or suspension notification. During performance of the Order, Seller shall not make any changes in the design of Work to be furnished by Seller under the Order without advance written notification to and written approval of Buyer. The above requirement applies whether or not there is a cost impact associated with the change and regardless of the type of change involved, including product improvements.

6. PAYMENT TERMS/PRICES

Terms and Conditions of Sale

Buyer will compensate Seller in accordance with the payment terms and prices set forth in the Quote. If the Quote is silent on payment terms payment shall be required before delivery as follows: 30% upon placement of order, 30% upon purchase of materials, 40% upon completion of Order, but before shipment. Any payment(s), including final payment, shall not relieve Seller from any of its obligations to Buyer under the Order. If payment is not received in the time period specified under this section, Buyer agrees to pay interest at a rate of 1.5% per month or, if such rate is in excess of the rate allowed by law, then Buyer agrees to pay the highest rate allowed by law. In addition, Buyer agrees to pay all costs of collection, including the cost of litigation and reasonable attorney's fees. Further, Buyer agrees to, upon Seller's request, execute financing statements and other instruments needed for Seller to secure its interest in property delivered under the Order.

7. TAXES AND DUTIES

The purchase price under this Quote does not include any applicable sales or use taxes. If sales or use taxes are applicable to the Work and Seller is required by applicable law to collect such taxes in the jurisdiction in which the delivery point is located (as identified in the Order), Seller shall add the applicable sales or use tax to its invoices (as a separate item) and Buyer will pay Seller as an addition to the purchase price upon its verification that such amount is due and payable. Seller shall contact Buyer's purchasing representative in the event: (1) the delivery point is not clearly specified; (2) Seller has reason to believe that tax information identified on the Order may be incorrect or no required tax information is specified; (3) Seller believes a tax exempt certificate or other applicable document is required from Buyer; or (4) Seller otherwise has any question regarding the issue of sales or use taxes.

8. DELIVERY

A. The delivery terms for the Work shall be as set forth in the Quote. If no delivery terms are specified in the Quote, the terms shall be Ex-Works Seller's factory. Delivery, in whole or in part, shall not be made more than five (5) Days prior to the delivery date specified herein, unless agreed in writing by Buyer.

B. If liquidated damages for delay in delivery or completion are set forth in the Quote, Seller expressly agrees that (a) such liquidated damages were specifically negotiated by the Parties and are in lieu of Buyer's actual damages for delay, which both Parties agree such damages would be difficult or impossible to calculate, (b) such liquidated damages constitute a fair and reasonable estimate of the amount of damages that would be incurred by Buyer in the event of such delays in delivery or completion of the Work in light of anticipated harm, and the difficulties of proof of and inconvenience or nonfeasability of obtaining any adequate remedy, (c) such liquidated damages are not intended as and shall not be deemed or construed as penalties, and (d) it waives any right to contest the validity or enforceability of such liquidated damages. Notwithstanding any such payment of liquidated damages for late delivery, Seller shall remain obligated to meet the delivery terms. If liquidated damages are not set forth in the Quote, Seller expressly excludes and will not pay for liquidated damages.

C. Seller shall be responsible for packaging all equipment/materials and loading each shipment made under the Order on carrier's conveyance in accordance with packaging specifications and requirements stated in the Order. If the Order does not state packaging specifications and other related shipping requirements, Seller may, in its sole discretion, choose packing and arrange for loading on Buyer's conveyance.

D. Seller shall be responsible for marking all products provided as part of the Work to indicate the applicable country of origin. Such marking shall be clear, conspicuous and permanent. If the product is not capable of being marked, the outer-most box or container shall be marked with the country of origin.

E. Seller shall provide all relevant documentation, as required by Buyer as stated in the Order.

F. If Buyer cannot take delivery in time, Buyer shall be charged for storage of the Work for any period longer than one (1) week.

9. DELAYS AND FORCE MAJEURE

A. Should a Force Majeure Event(s) prevent or delay the total or partial performance required under the Order, the Party claiming a Force Majeure Event(s) shall advise the other Party of the beginning and the expected period of such Force Majeure Event(s) with reasonable evidence within ten (10) days after the occurrence of such Force Majeure Event(s). Neither Party shall be considered to be in default or in breach of its obligations under the Order if and to the extent that its failure or delay in performance is actually caused by a Force Majeure Event(s). Any additional costs and expenses incurred by reason of a Force Majeure Event(s), with the exception of delay in delivery, shall be borne exclusively by the Party experiencing the Force Majeure Event(s).

B. The Parties must exercise their best efforts to mitigate the effect of such Force Majeure Event(s) on the performance of the Work. Any relief granted by either Party shall be limited to an extension of the time of performance to the extent caused by the Force Majeure Event(s). If any Force Majeure Event(s) or delay continues for more than ninety (90) Days, either Party shall have the right, but not the obligation, to terminate the Order.

10. LABELING

Packing, preservation and marking will be in accordance with the specification drawing or as specified on the Order, or if not specified, a commercially accepted practice will be used, which will be consistent with applicable law. All goods shall be packed in an appropriate manner, giving due consideration to the nature of the goods, with packaging suitable to protect the goods during transport from damage and otherwise to guarantee the integrity of the goods to destination. Seller shall provide and maintain an inspection, testing and process control system covering the goods and services provided hereunder that is acceptable to Buyer and its customer and complies with Buyer's quality requirements that are set forth on the Order or are otherwise agreed to in writing by the parties. Seller shall keep complete records relating to Seller's inspection, testing, and process control systems and shall make such records available to Buyer and its customer for: (a) three (3) years after completion of the Order; (b) such period as set forth in the specifications applicable to the Order; or (c) such period as required by applicable law, if specified by Buyer on the Order, whichever period is the longest.

If any inspection, test, audit or similar oversight activity is made on Seller's or its suppliers' premises, Seller shall, without additional charge: (i) provide all reasonable access and assistance for the safety and convenience of the inspectors and (ii) take all necessary precautions and implement appropriate safety procedures for the safety of Buyer's personnel while they are present on such premises. If specific Buyer and/or Buyer's customer tests, inspection and/or witness points are included in the Order, Seller shall notify Buyer in writing at least five (5) Days prior to each of Seller's scheduled final and, if applicable, intermediate test/inspection/witness points. Inspections and tests by Buyer shall be performed in such a manner as to not unduly delay performance by Seller under the Order.

13. REJECTION

If any of the goods and/or services furnished pursuant to the Order are found within a reasonable time, which in no event shall exceed 90 days, after delivery to be defective or otherwise not in conformity with the requirements of the Order, including any applicable drawings and specifications, then Buyer may, at Seller's expense request Seller to, in a reasonable period of time, inspect, adjust, and/or repair nonconforming (with respect to mechanical or electrical non-performance) goods and/or services with goods and/or services that conform to all requirements of the Order. If Seller is unable to take such actions as may be required to cure all defects and/or bring the goods and/or services into conformity with all requirements of the Order, Seller may find a third party to take such actions as required to cure all defects and/or bring the goods and/or services into conformity with all requirements of this order, with all associated costs and expenses (including, but not limited to, material, labor and handling costs and any required re-performance of value added machining or other service) being born by Seller. For any repairs or replacements, Seller shall perform any tests requested by Buyer to verify conformance to the Order.

14. TITLE PASSAGE

A. Title to the Work shall pass to Buyer at the later of (a) final payment for such Work, or (b) receipt of the Work by Buyer per the delivery terms in the Order. 35. HEADINGS

Headings and sections set forth in the Order are for convenience of reference only and do not alter the meaning, content, or enforceability of any Article hereof.

36. ENTIRE AGREEMENT

The Quote may be executed in one or more counterparts, each of which shall for all purposes be deemed an original and all of which shall constitute the same instrument. Facsimile signatures on such counterparts are deemed originals.
